BONNIE BRAE ELEMENTARY

Get a head start on the 2023-24 school year by pre-purchasing your child's school supplies!

Your child's teacher has identified the personal and community school supplies needed for a successful year.

In cooperation with the Bonnie Brae PTO, Campus Survival Kits has assembled a Kit of all necessary supplies for one low price!

Avoid supply shortages in stores and get everything you need!

- ★ You'll receive a complete set of the exact supplies identified by your child's teacher. *All brands, sizes, colors and styles have been designated by your child's teacher.*
- ★ Your child's personal supplies will be delivered in a custom Bonnie Brae Elementary drawstring backpack. *(delivery will be made to the school prior to the first day of school.)*
- ★ The items identified as community supplies (tissues, wipes, etc.) will be delivered directly to your child's teacher for easy collection and storage.

AND...

- ★ Based on the number of students who purchase a Kit, your child's school will receive **FREE** refills on select items in January. That means the more parents who purchase a Kit now, the fewer requests parents will receive for more supplies during the year!

All kits include a custom Bonnie Brae Elementary water bottle!
