

# BBES PTO AFTER-SCHOOL CLUBS

This Winter the BBES Parent Teacher Organization (PTO) will again offer both Teacher-led and Community-based clubs, in an ongoing effort to foster relationships between the school, parents, teachers and the community. Please visit our website for more information.

- Teacher-led club registration is run by a team of volunteers through the BBES PTO website. Registration is open for 48 hours beginning at **7 PM on Tuesday, December 5th**. Selection will be on a first come, first served basis until all spots are filled. Families will be notified of club status within a few days of registration closing, along with payment instructions.
- Community-based club registration is run via each business website.

A limited number of needs-based scholarships are available for these programs. For more information, please contact April Bowman at [adbowman@fcp.edu](mailto:adbowman@fcp.edu) for confidential communication.

Clubs run for 8 sessions starting the week of January the 8<sup>th</sup> and are held on days school is in session from 3:30-4:30 PM (unless otherwise noted). Parents are responsible for picking up their child at 4:30 PM on club days. Visit our website for exact dates and more info. Questions: [afterschool@bonniebraepto.org](mailto:afterschool@bonniebraepto.org).

# Community-based Clubs

<https://chessacademy.com/>

**Chess Club** | *Learn from Champions!*

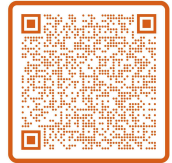

Wednesdays in the Cafeteria  
Grades K-6 (all levels welcome!)  
\$162

<https://tinyurl.com/5n824z73>

**Nailed It** | *Nailed It! Calling all creative kids! This is the perfect class to hone both your artistic side and your puzzle-solving skills. Just like on the popular TV show Nailed It!, we'll show you a final product and give you all the goods needed to recreate it. This is Nailed It!, Kidcreate-style, so instead of baking, we'll be sculpting, painting, collaging, and more!*

Mondays in the Cafeteria  
Grades K-6  
\$144

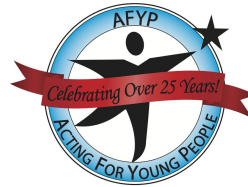

<http://www.stemexcel.org/bonniebrae>

**STEM exCEL Roblox Game Design:** *Roblox Game Design will teach students how to create an obby, learning important game design concepts with the popular game engine Roblox Studio. Students will be creating amazing 3D games while learning about 3D modeling and programming logic.*

Tuesdays in the Cafeteria / Jan 9-Feb 27, 2024  
Grades 1-6  
\$150

**STEM exCEL Comic Book Illustration:** *Let students explore the incredible world of Comic Book Illustration and learn to take their creativity to a whole new level! Students will learn about character development, storyboarding, paneling, story design, color theory and how to hone their art style. Instructors will teach students how to create comics using traditional art along with digital software, so they may work comfortably in whichever medium they prefer. By the end of the course, each student will leave with their very own comic book they created in class, along with a strong introduction to digital art processes and comic composition concepts.*

Fridays in the Cafeteria / Jan 12-Mar 8, 2024  
Grades 1-6  
\$140

**Take the Stage! Acting For Young People**

*Students will learn to use their own unique qualities to become an Actor!*

Thursdays in the Cafeteria  
Grades K-6 (all levels welcome!)  
\$112

[www.afyp.org/bonnie-brae](http://www.afyp.org/bonnie-brae)

<https://www.novakidsinmotion.com/registration/>

**Kids in Motion: Yoga** | *Fun Fitness! Yoga instructors use a variety of teaching methods and activities, such as poses, meditations, drawings, music, books, sing a longs, stories, and games to develop focus, flexibility, strength, and calmness.*

Mondays in the Lower Theater  
Grades K-5  
\$129

Save the date: RunFitKidz, a weekly training program for a 5k race, will open their registration on February 9 at [www.runfitkidz.com](http://www.runfitkidz.com)
