

# Donations Needed

Our Math & Literacy Night is scheduled for November 13th. We've got some fun things planned, but we need your help!

We hope to include elements of STEAM (*Science, Technology, Engineering, the Arts, Math*) this year which requires lots of consumable items. It would be greatly appreciated and helpful if you would be willing to donate any of the following items:

<i>Toilet Paper Rolls</i>	<i>Paper Towel Rolls</i>	<i>Pipe Cleaners</i>
<i>Masking Tape</i>	<i>Tin Foil</i>	<i>Paper Plates</i>
<i>Colored Tissue Paper</i>	<i>Craft Foam</i>	<i>Cotton Balls</i>
<i>Large Beads</i>	<i>Rubber Bands</i>	<i>Popsicle Sticks</i>

Please use [this link to sign-up](#) for items to donate and send in no later than Oct. 31st.

Donations can come to Cecilia Doan, Math Resource Teacher. You can also give it to your child's teacher and they can arrange pickup with me.

If you have any questions, please don't hesitate to reach out:  
[cvdoan@fcps.edu](mailto:cvdoan@fcps.edu).

THANK YOU IN ADVANCE!
